

Waterbeach Community Primary School

Weekly Learning Update: EYFS

Date: 10.9.2026

Maths

In Maths next week the children will be:

Learning about **subitising**. Subitising is our brains ability to see 'how many' there are without counting. We use the phrase "Don't count, see the amount!" to help us.

This week, we will be focusing on numbers 1-3.

This short video explains why subitising (more than counting) builds children's number sense.

English/Phonics

In Phonics next week the children will be learning the phonemes:

s, a, t and p

There are resources for parents on the Little Wandle website here:

<https://www.littlewandle.org.uk/resources/for-parents/>

You can watch the 'Phase 2 sounds taught in Reception Autumn 1' video for the correct pronunciation of each phoneme we will teach this term.

Topic

As part of our topic **Who am I?** the children will be:

- Learning about the different areas of the classroom. We will talk about how we can play in each area and how to tidy up. We use the phrase 'You choose it, you use it and you put it away' to help us keep the classroom tidy.
- Sharing their All About Me books
- Reading and exploring the story 'What makes me a me?'

Additional information & Reminders

Full time: The children will be full time in school from Monday. The school day times are 8.40-3.15.

Seesaw: Please ensure you have returned your consent form for Seesaw as soon as possible. We are unable to add any posts about the children until all forms have been returned.

Wellies: If your child does not have named wellies in school, please send them in as soon as possible.

Thank you for your continued support. Please get in touch if you have any questions. Kind regards, the EYFS team.
