

Waterbeach Community Primary School

Weekly Learning Update: Year 6

Date: Week Beginning 19th October

Maths

In Maths next week, we shall be continuing with a unit based around the order of operations and which order they need to be attempted.

Times Tables

If your child is still not secure on their times tables, practising these at home little and often will make a huge difference. Number Blocks goes all the way up to 12x and there are various apps on the internet to help.

English/Phonics

In English next week, we shall complete our unit on poetry based around Joseph Coelho's book, 'Overheard in the Tower Block'.

Spelling

This week the children have investigated the 'ent' & 'ence' suffix e.g. *silent* / *silence* and the 'er', 'or' & 'ar' suffix e.g. computer, superior, calendar

Topic

In RE, the children will be considering the question, 'What makes God holy and loving?'

PE Reminder

Children need to be coming in their PE kits on **Monday & Wednesday**.

This consists of a coloured t-shirt relating to their house.

This is not to be a football shirt and if a house-coloured t-shirt is not available, a plain white t-shirt would suffice.

Long hair will need to be tied back (hair ties therefore required) and earrings will need to be removed.

Additional information & Reminders

Jewellery

A single pair of stud earrings can be worn – no other jewellery is necessary.

Any jewellery that is continually worn will be held at the office for a parent to collect.

Forest School

We will not be going to the forest this week (Friday 23rd)

Thank you for your continued support. Please get in touch if you have any questions.
Kind regards, the Year 6 team.
