

Waterbeach Community Primary School

Weekly Learning Update: Year 1/2

Date: 15.10.26

Maths

Next week we will be learning about:
Year 1

- We will continue addition and subtraction within 20.
- We will learn and practise how to use the 'Make ten' strategy when subtracting.

Year 2

- We will be starting to use our addition and subtraction knowledge to solve word problems.
- We will start learning about bar models.

English

Next week we will be learning about:

- We will be reading the book 'Pumpkin Soup' and use this as the focus for our Drawing Club sessions.

Phonics Year 1

- We will revisit and review the graphemes, decodable words and tricky words that the children are less confident with.

Phonics/Spelling Year 2

- We will review our recent learning from this half term.
- We will focus on GPCs children are less confident recognising and reading.

Topic

As part of our topic 'Houses and Homes', next week we will be learning:

- In our History topic, 'Houses through Time' we will learn about Celtic, Roman and Tudor homes, identifying key features and materials used to build these homes.

Additional information & Reminders

Please send in a strong plastic bag if your child is in Giraffes, Lions or Rhinos as those children are going to keep their wellies indoors from now on but need a plastic bag to put them in if they are muddy.

Please make sure your child has a coat in school every day.

For their safety, children should not wear earrings during PE. If your child cannot remove their earrings independently, please remove them before school.
