

Waterbeach Community Primary School

Weekly Learning Update: Year 1/2

Date: 17.9.26

Maths

Next week we will be learning about:
Year 1

- Addition and subtraction within 10. We will combine two groups to find the total, learn how to add by counting on and explore addition stories.

Year 2

- Number bonds within 20.
- Addition and subtraction with 2-digit numbers. We will use our knowledge of number bonds to support our calculations. E.g. If I know $3 + 2 = 5$, I know that $13 + 2 = 15$

English

Next week we will be learning about:

- We will share the story of Hansel and Gretel and use this as the focus for our Drawing Club sessions.

Phonics Year 1

- Reviewing the Phase 4 learning from Reception: including words with adjacent consonants e.g. *stand*, *plum*, *splat* and words with both adjacent consonants and long vowels e.g. *spoil*, *floating*, *driftwood*.

Phonics/Spelling Year 2

- We will learn alternative graphemes for the phoneme sh
For example: ti, ssi, si, ci
- We will read these graphemes within words e.g. action, mission, mansion, special,

Topic

As part of our topic 'Houses and Homes', next week we will be learning:

- We will be going on a walk around the village to observe human and physical geographical features in our local area.
- Rhinos, Giraffes and Lions will be going on Monday afternoon.
- Hippos and Elephants will be going on Wednesday afternoon.
- We will have our first DT lesson, beginning our unit on healthy eating. We will learn about where food comes from.

Additional information & Reminders

On the day that your child is going on the village walk, please send them to school in school uniform.

We have a lot of unnamed jumpers and cardigans – please check that all of your child's clothing is labelled.

For their safety, children should not wear earrings during PE. If your child cannot remove their earrings independently, please remove them before school.
